Course content:

The Business Management Foundation Degree is for aspiring professionals who wish to develop a wide range of practical and employability skills in organisational planning and development, and gain experience in problem-solving for organisations.

In Year 1 (Level 4), you will study 5 core 20-credit modules and 1 specialist 20-credit module:

- Study Skills & Personal Development
- Business Environment and Law
- Marketing Management
- Introduction to Human Resources
- Introduction to Finance
- Quantitative Methods for Business & Management (specialist module)

In Year 2 (Level 5), you will study 6 20-credit modules, including the following core modules:

- Management in Organisations
- Project Management
- Developing Professional Practice
- Small Business Management

You will also choose from the following 20-credit modules:

- Gastronomy and Wine
- E-Business and Digital Marketing
- Event Management & Event Design
- Visitor Attraction Management
- Visual Merchandising & Psychology
- Financial Management
- Sustainable Development

Module availability may be subject to change. The timetable will be available in August 2018.
